

2009 Soccer Ball Boys and Girls

Would you like to be a Ball Boy or Ball Girl for a Men's or Women's Soccer Game This Season?

Each home game UMKC will have six ball boys or girls on the field. Children ages 8 and above are invited to participate and receive free admission to the game, a T-shirt, and a discounted ticket rate for family and friends to attend. Participants may also sign up a friend to participate for their game. All ball boys and girls need to plan to arrive one hour prior to game start and remain until the end of the game.
