

Men's Basketball Ball Boys and Girls

Would you like to be a Ball Boy or Ball Girl for a Men's Basketball Game This Season?

Each home game UMKC will have four ball boys or girls. Children ages 8 and above are invited to participate and receive free admission to the game, a T-shirt, and a discounted ticket rate for family and friends to attend. Participants may also sign up a friend to participate for their game. All ball boys and girls need to plan to arrive one hour prior to game start and remain until the end of the game.

Here's How to Sign Up:

2. Complete the Game Request form below with your first, second, and third choice for games.
3. Return the request form to the UMKC Athletics Department.
